INFORMATION ON THE CREDIT RISK RELATING TO THE NEW LOANS

The New Loans are collateralised against two properties provided by the Customers with an aggregate loan-to-value ratio of approximately 70.1% based on the value of the mortgaged properties for the New Loans as determined by an independent property valuer.

The advance in respect of the New Loans was made based on (i) the Group's credit assessments on the financial strength and repayment ability of the Customers and (ii) the collaterals provided by the Customers, which are at prime sites in Hong Kong. After taking into account the factors as disclosed above in assessing the risks of the relevant advance, the Group considers that the risks involved in the advance to the Customers are acceptable to the Group.

The New Loans are extension of the Previous Loans drawn on 13 October 2014.

REASONS FOR ENTERING INTO THE SUPPLEMENTAL LOAN AGREEMENTS

Taking into account the principal business activities of the Group, the grant of the New Loans to the Customer is in the ordinary and usual course of business of the Group.

The terms of the Supplemental Loan Agreements were negotiated on an arm's length basis between GICL and the Customers. The Directors consider that the granting of the New Loans is financial assistance provided by the Group within the meaning of the Listing Rules. The Directors are of the view that the terms of the New Loan Agreements were entered into on normal commercial terms based on the Group's credit policy. Taking into account the satisfactory financial background of the Customers and that a stable revenue and cashflow stream from the interest income is expected, the Directors consider that the terms of the Supplemental Loan Agreements are fair and reasonable and the entering into of the Supplemental Loan Agreements is in the interests of the Company and its shareholders as a whole.
